ABOUT ME

My name is Muhammad, I am 29 years old. I have ambition for a better career future for me and my family. This is what motivated me to submit an application to join the work team in your company, in order to add to it and take advantage of the experience i gained in alot of fields and also give me the opportunity to develop that experience by working with a professional team like you.

EDUCATION

Student at Faculty of law university of Alexandria.

EXPERIENCE

Working as UI/UX designer and graphics for freelancing websites for more than 4 years.

SKILLS

Knowledge of wirefram tools (Adobe XD, Adobe Illustrator and Adobe Photoshop).

Creating user flows, wireframes, prototypes and mockups.

Good knowledge of the latest design trends.

Creating high-quality visual design elements, like menus, buttons, icons and interactions.

Possibility to work from the company headquarter or remotely.

Ability to solve problems.

Work under pressure.

Respect the deadlines.
